Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on providing all students with a safe, caring, and inclusive learning environment free from harassment.

We are doing this because our staff, students, parents, and community deserve a welcoming environment.

Throughout the year, we will be:

1. Raising Awareness through education; through initiatives, assemblies, and presentations.
2. Curricular connections; using specific courses to educate.
3. Education for staff; PD, lunch and learn, teaching about restorative justice

Community/Home Connections

Ask your child about various wellness activities they've learned about.
